So may ka-FB ako na kakampink, sabi kakaiba daw ang DDS...for good governance daw pero bakit hindi nila iboboto si Heidi Mendoza. Tapos nilalait ang mga DDS ng Kakampink na yun. Alam nyo na kung bakit.

Republic of the Philippines
Supreme Court
Manila

FIRST DIVISION

PEOPLE OF THE PHILIPPINES, G.R. No. 248699
Plaintiff-appellee,
Present:
GESMUNDO, C.J., Chairperson,
J.A., and
J.L.J.

Decision 3 G.R. No. 248699

Rapido Care Ventures (RCV), and acting with manifest partiality, evident bad faith and/or gross inexcusable negligence, did then and there willfully, unlawfully, and criminally give unwarranted benefit, advantage and preference to MARTIN M. MURILLO, and/or RCV by entering into a Memorandum of Agreement (MOA) with RCV to provide accident protection and financial assistance to Pagsanjan tourists and legitimate and qualified business plying the route to and from the Pagsanjan Geog. Tourist Zone for the loss of life, dismemberment, medical reimbursement, and confinement/hospital transfer reimbursement, without the requisite public bidding under Republic Act No. 5184 and despite RCV not being licensed and in possession of a certificate of authority from the Insurance Commission to engage in the insurance business; which MOA was immediately nullified and approved by the accused Singsing/Baguio Mayor despite the previously stated obvious flaws to the damage and prejudice of the municipality, its covered tourism and business.

CONTRARY TO LAW!

On their respective assignment dates, accused-appellants pleaded not guilty to the charge. During pre-trial, the parties stipulated that at the time material to the allegations in the Information, accused public officials were public officials of the Municipality of Pagsanjan, Laguna; Bruni was the proprietor of RCV, the Singsing/Baguio Mayor (SB) of Pagsanjan passed Municipal Ordinance No. 15-2008 authorizing Entegran to transact, negotiate, and enter into a contract between the Municipality and any competent and qualified entity which can provide APA services to tourism and business.
